

## EIFA Parents Association News

Dear Parents,

We hope you've all settled in and are enjoying a fantastic start to the school year!

Back to school at EIFA, has been, as always, a warm and welcoming few weeks to all! It's a pleasure to be part of this vibrant and caring environment where our children not only grow academically but also thrive within a rich tapestry of cultures and experiences.

We'd love to share some of the exciting activities we've been working on for this first term:

- A Welcome Picnic at Regent's Park took place one week after the school started, where parents had the chance to reconnect with familiar faces and meet new families.
- Our much-loved Friday Coffee Mornings for parents at Caravan have returned, and we're looking forward to catching up with you regularly on Fridays throughout the year!! We had a special one on 27 September, where we were joined by Stéphane Kuhn, our Head of School, and Fella Benabdallah our Parents Liaison and Events Manager.
- Our first Pub Night of the year is on October 3rd at "Home Marylebone" — perfect for an evening of drinks, pizza, and good company!
- For our pupils, the fun has already begun! The beloved Friday Pain au Chocolat tradition is in full swing,
- Halloween is just around the corner. We have an exciting lineup of Halloween activities, including festive decorations, a bake sale, Junior School events, and the highly anticipated Halloween Disco Party for our older pupils.
- Approaching December, the school will come alive with Christmas spirit, and we can't wait to share more details about the festive decorations and events we are planning!

- Beyond celebrations, we're also working on some new and meaningful initiatives. This year, we'll be focusing on:
  - environmental awareness,
  - organising charity-based assemblies,
  - and diving into the rich history of EIFA's building and its surroundings.

We look forward to seeing you at these events and working together to make this year a memorable one for our children and our wonderful community.
