

Règlement intérieur School Rules

Date: January 2018

Reference Text: Rules règlement départemental des écoles maternelles et élémentaires

This document comprises the internal rules required for the functioning of the School, as well as the rights and obligations of all members of the school community. Tolerance and respect for others are key. Relationships between different members of the community should be based on mutual respect and trust. Failure to follow the rules may result in the application of appropriate sanctions.

School Life

Teachers and all adults working within the School are forbidden from engaging in any behaviour, words or actions that could be interpreted as indifference or disdain towards a child, a child's family or which could hurt the feelings of a child. Equally pupils and their families are forbidden from engaging in any behaviour, words or actions that could cause offence to or hurt a teacher or any adult working in the School. Everyone is required to respect colleagues and families at the School.

If the behaviour of a child causes serious disruption to a class on a regular basis, then a meeting may be called of all those involved in the education of the child possibly including but not restricted to, teachers, the Head of School, curriculum managers and relevant outside agencies and professionals.

Attendance

Early Years, Foundation Stage and Y1 (Maternelle)

Joining the school in the Early Years, Foundation Stage or Y1, indicates that a family is committed to education and understands that regular attendance at school is necessary both for the development of a child's personality and as preparation for the next stage of school life.

Reception needs to be informed in writing of all absences.

Y2 and KS2 (Ecole élémentaire)

Regular attendance at school is obligatory, as is participation in all activities during the school day (sport, swimming, art, drama, other cultural activities).

School Session: 8:40am to 3:20pm

Mondays, Tuesdays, Wednesdays, Thursdays.

On Friday: 8:40am to 3:30pm

Teaching staff are not responsible for children outside these hours except when children are participating in extra-curricular activities organised by the School from 15.30 to 16:30.

Drop-off

Children may arrive in School 15 minutes before the start of lessons.

The School doors at Portland Place are opened at 8:25am. It is strictly forbidden to enter the building before the doors have been opened.

The school doors at Duchess Street are opened at 8:00am. Students must arrive before 8:30 even if the classes start at 8:40.

Children in Nursery, Reception, Year 1 and Year 2 are to be taken to their classroom where the parents hand their child(ren) to the teacher or assistant at the door.

If the child is not handed to a teacher, then the teacher is not responsible for any accidents or injuries that may occur. For Y3 to Y6, children enter the School without parents and go to the canteen.

Pick-up

We remind you that only persons named in the children's records are authorised to collect children from primary and nursery classes.

Any child not collected by 15:20 and who is not participating in extra-curricular activities will be taken to the homework club or afterschool crèche (garderie). Once a child has been taken to the homework club or garderie, parents will be invoiced for the service.

All unauthorised entry into the School is forbidden at drop off and collection times, as well as throughout the day. Parents must not block the exit for the children and should be polite and cordial in their contact with others.

It is forbidden to enter the School with a dog or other animal even if it is on a lead. It is also forbidden for children to enter the School with scooters or bicycles. These must be put in the garage behind the building.

Parents wishing to enter the School should speak to the receptionist. Outside pick up and drop off times, parents should contact the Head of School.

Absence and lateness

Any child arriving at School after registration or who misses a class must have a written note from his/her parents giving the reason for the late arrival or absence. Moreover, parents are asked to inform the School of their child's absence as early as possible in the morning either by telephone or by email.

Joining the School implies a commitment to regular attendance. If this commitment is not evident then a child may be removed from the School roll and the relevant social services informed.

Requests to authorise absences during term time in exceptional circumstances should be made to the Head of School in writing. **No absences will be authorised for holidays during term time.**

If a child is required to leave School before the end of lessons/activities, then parents are asked to inform the School and the teacher in writing in advance and to go to the relevant classroom to collect their child.

Completion of academic work

Children are required to be attentive and studious in class (they should listen and complete written and oral tasks as required.). Each pupil is required to learn lessons regularly. The child should have all equipment necessary for School each day. Any items lost or damaged that belong to the School should be replaced by the family.

At the end of each period of recreation, the students are to assemble in the designated areas. They are to line up quietly, avoiding shouting or pushing.
